2020 School Captain Election

Welcome back everyone!

From chatting with lots of happy children on Monday and Tuesday it appears everyone had a great Spring break. It is wonderful to be back at CEPS! I very much enjoyed my 'stint' last term out and about supporting other school leaders on their journey towards school excellence but it is nice to be back; always nice to come home! Thanks to those that have so warmly welcomed me back.

Talking of welcoming back; we welcome back to our school Anissa Rajendra in the Deputy Principal role. There will be many of you that do not know Anissa as she has been leading Towradgi Public School as Principal for a number of years but has now returned to her substantive executive role at our school; how lucky we are!

I write to you all from the crisp, beautiful national capital, Canberra. Our stage 3 students are representing our school beautifully and having a great time. It is important to note that for students to be able to enjoy experiences such as this, staff give up their own time, away from their own family (and with no overtime pay!) My sincere thanks to Mr M, Miss Randall and Miss Holz for their commitment and participating in this years stage 3 camp, they are doing a great job!!!

Term 4 is always B.U.S.Y! Can I encourage you to please keep up-to-date with all the goings on via the newsletter each week or by downloading the Skoolbag app (if you're not sure, please speak with the office who will gladly help you out). It would be really disappointing for anyone to miss out on the Term 4 offerings. In saying that, we put return dates on school notes for a reason! Please ensure notes & payments are returned to school by the due date; as I indicated in Term 2, I have instructed office staff to abide by closing dates.

Term 4 is always a fun, exciting and full-on term. It is our Year 6's final term of Primary school and of course of Kindy's final term of their first year of school; how quickly the year is going! I look forward to a terrific term ahead as we work together with you in our endeavour to ensure every student in our school is known, valued and cared for.

Bede Darcey

Trash Free Tuesday

Corrimal East participates in **Trash Free Tuesday**.

Every Tuesday we encourage parents and caregivers to pack all food in reusable containers with no packaging. Unpackaged foods are usually less processed and provide children with greater health benefits. Research shows that nutritious foods aid brain development, concentration and supports healthy immune systems. **Trash Free Tuesday** will also reduce the amount of waste from our school going to landfill.

Did you know that only 1 in every 20 Australian children (and adults!) are eating enough fruit and vegetables?

Woolworths Discovery Garden Kits

The Woolworths Discovery garden starter kits have almost finished.

If you have any seedling kits you would like to donate to our school we would love to plant them in our garden. Please bring the seedlings to the office.

We would also be happy to accept any wooden sleepers or wooden pallets that would be suitable to use as a garden edge for our garden beds.

Thank you for your support.
