Smart-Start

Do you know a child who is almost of school age?

The transition to school can be both an exciting and daunting time for parents and children. Corrimal East Public School's transition program 'Smart-Start' aims to develop foundations for future learning and establish parent partnerships for a smooth and positive transition to Kindergarten.

Give your child a 'Smart-Start' to their education

Young Minds, Bright Futures

Afternoon Arrangements

Parents are asked to please ensure they **inform their child/ren of after school arrangements appropriately**. Please make sure if you are going to collect your child/ren from the back gate (Pioneer Rd) that your child knows this! Students using the back gate as an exit wait on the silver seats under the hall COLA and are safely walked down by the teacher on back gate duty.

Additionally, **if you are going to be late, a courtesy call to the front office is essential**. Mr Darcey waits with all children (and after school care bus children) on the admin veranda to ensure your child is safe but it is essential we know if you are to be late. Anything after 3:25pm is considered extremely late.

The safety and wellbeing of your children is all of our business and priority.

CEPS Uniforms (& Hats!)

It has come to my attention that some parents are contacting members of the P&C with an expectation that they will open up the second-hand uniform area outside of the advertised date/time.

I remind all parents that the offer of opening the area where second-hand uniform items are kept on site is completely voluntary and, as agreed at P&C, this service is only available once a term. I remind all parents that **our school uniforms are stocked through Crystal Bears Poppets Direct** (<https://poppets.com.au/product-category/corrimal-east-p-s/>) and that this company provides **online ordering and a free home delivery service**. If you are having difficulty paying for any item of school uniform, as is usual practice at our school, please do not hesitate to contact me where we can arrange options for payment/s.

I ask that parents **do not contact P&C members directly requesting the opening of the second-hand uniform area** and that in an emergency you contact the office and ask to speak with me.

Please remember that all P&C activities/initiatives are voluntarily run. We so very much appreciate the support and efforts our P&C members give to our school. We would love some more members on the P&C to help run activities (i.e., second-hand uniform area); please think about offering your support to the P&C if you have not already done so.

Please do not hesitate to contact me on 4284 4582 if you would like to discuss your support of the P&C or second-hand uniforms.

CEPS Hats

Lately we have noticed an increase in students not having their CEPS school hat with them. The CEPS school hat is part of our school uniform and is a requirement when outside. Those students without a CEPS hat play under the COLA areas and/or in CEPSPACE at break times. It is important to note that without a CEPS school hat, students are not permitted to participate in sport on Fridays (and Tuesdays for Stage 2&3).

Students are encouraged to either bring their hat with them to school everyday or leave their hat at school on their bag hook or in their tote tray to ensure they have it with them every day.
