Students return to school

**Happy Education Week!** This week is Education week across 2200 public schools in New South Wales and an important part of the school calendar. It is the week where we get to showcase all the wonderful learning that takes place and the talents each of our students have here at CEPS.

The theme for Education Week this year is *"Every student, every voice"* which is a celebration of student empowerment and how we as a school provide students with the skills to express a voice throughout their educational journey and long into their life. We were fortunate to team our Education Week celebration with Grandparents Day this year. Today we saw a huge turn out of Grandparents and visitors who enjoyed a school performance dedicated to our Grandparents, took a tour of our school and shared a morning tea together!

Fitting in with this years theme, we were treated to some particularly beautiful voices on Tuesday night at The Wollongong Schools' Choral Festival. The School Choir proudly performed alongside a number of other schools at Wollongong Town Hall. Corrimal East PS was the final act who put on what can only be called a "show stopper"

of a performance to a packed auditorium. I, alongside many staff, were in awe of the enthusiasm and energy our students put into their performance. I must also thank the efforts of Mrs Lynda Murphy, Miss Rebecca Randall and Mr Bede Darcey for their organisation and musical talent to ensure all the students shone in the spotlight! I wish you all a wonderful week ahead.

Yours in Public Education,

*Alison Forthuber*

## Choral Festival 2019 !

On Tuesday night, 61 CEPS students went to Wollongong Town Hall to perform in the 65th Annual Choral festival.

We sang loads of exciting songs with the massed choir. Our school also performed two individual items chosen from the classic 1994 Disney movie the Lion King. They were: Circle of Life and I Just Can't Wait to be King.

The students had an absolute ball with their performance and smashed it out of the park, performing with enthusiasm and big smiles on their faces. Eduardo did a fantastic job playing the 'villainy' role of Zazu.

The choir would like to say a big thank you to Mrs Murphy for all her hard work and playing the piano for them. They would also like to thank Miss Randall for conducting and making choir lots of fun! We look forward to what next year's Choral Festival will bring!

## Cyber Safety

We have been advised that of late, some of our Stage 3 students have been using social media (particularly Instagram) inappropriately. This is very disappointing! Parents are asked to please monitor their child's usage of devices and manage/monitor what their child is uploading to their social media accounts. For support with this, please visit,

### Reporting Cyberbullying

<https://www.esafety.gov.au/complaints-and-reporting/cyberbullying-complaints/i-want-to-report-cyberbullying>

I can not stress enough how important it is that **you teach your child about screenshooting!** Anything they feel is inappropriate, wrong, unnerving or of a sexual nature **they need to screenshot!** This screen shot needs then to be reported to the e-safety reporting website or taken to the local police station.

**Please monitor what your child is doing online!**

eSafety Commissioner

## HOW TO REPORT CYBERBULLYING MATERIAL

-  **1** Report the cyberbullying material to the social media service
-  **2** Collect evidence - copy URLs or take screenshots of the material

**If the content is not removed within 48 hours**

-  **3** Report it to [esafety.gov.au/reportcyberbullying](https://esafety.gov.au/reportcyberbullying)
-  **4** Block the person and talk to someone you trust

 If you are in immediate danger, call **000** (triple zero)  
If you need to talk to someone, visit [kidshelpline.com.au](https://kidshelpline.com.au) or call them on 1800 55 1800, 24 hours a day 7 days a week

## Trash Free Tuesday

Corrimal East participates in **Trash Free Tuesday**.

Every Tuesday we encourage parents and caregivers to pack all food in reusable containers with no packaging. Unpackaged foods are usually less processed and provide children with greater health benefits. Research shows that nutritious foods aid brain development, concentration and supports healthy immune systems. **Trash Free Tuesday** will also reduce the amount of waste from our school going to landfill.

### Bikes and Scooter Safety

Last week there were some disappointing reports of students riding to school on bikes and scooters unsafely.

This is a timely reminder to all students that if they choose to ride to school, they must do so in the safest possible manner, particularly when wearing our school uniform. I implore you all to discuss this with your children to ensure everyone arrives here safely each morning ready for a day of learning.

## 2019/20 CEPS Smart-Start & Kindergarten Orientation Program Overview

The 'Smart-Start' program is designed to promote positive learning experiences through play. The program will encourage the development of social skills and skills required for a smooth transition into Kindergarten. Our Kindergarten Orientation Program will give children an opportunity to participate in some 'real' class activities in one of the Kindergarten classrooms. Children will work with 2019 Kindergarten students and our senior student leaders.

2019/20 Smart-Start Program
