Happy Holidays!

Term 3, Week 10 has come around in what feels like a blink of an eye! This term we have had students show off their talents and skills at The Choral Festival, Southern Stars performance, Debating, various levels of Athletics, Public Speaking, class items, Book Week parade, Pyjama Day and Learning Showcases. The school has also hosted a number of events which have always been well attended by our valuable community members, even if the weather was extreme at times. Next term will see many more exciting opportunities for the students of CEPS to shine like stars in a variety of arenas. Whilst all of these exciting things were taking place, the magic of learning continued to take place in each of the classrooms. As I visit each room, it is always a treat to see the high levels of engagement and pride that the students take in their work each day. The Stage 2 showcase was the standout event this week. Students have spent the term researching a National Park from around the world. The students then had to present their information in a video, a brochure and a written procedural text to present at the showcase that took place in the hall this week. Many visitors came along and were treated to an abundance of well presented information by our very own Stage 2 Park Rangers. I certainly learnt a lot about a wide range of National Parks and got some great ideas for future holidays!! Thank you to all the staff and students for their hard work in putting this together. In relation to staffing, next term Mr Bede Darcey will return to CEPS as Principal after doing a fantastic job in his role as relieving Principal School Leadership. Mrs Anissa Rajendra will also return to CEPS after doing an outstanding job as relieving Principal at Towradgi Public School. She will take up the role of Deputy Principal for the remainder of 2019. Mrs Barbara Clark will begin here in week 2 as the Instructional Leader, officially replacing Mrs Jemima Gammone.

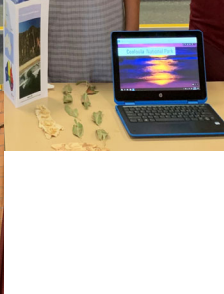

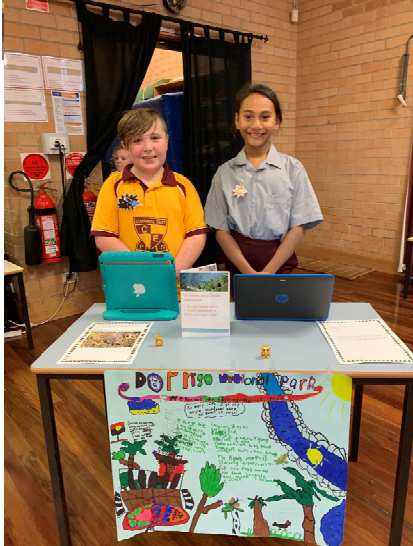

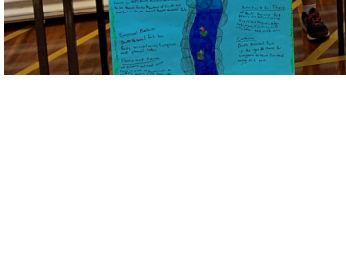

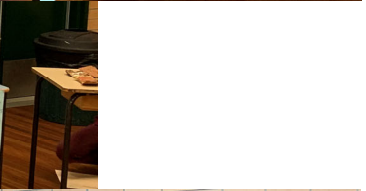

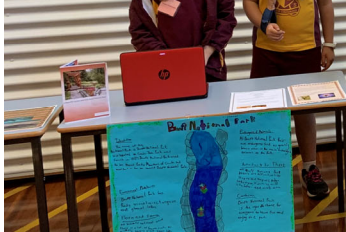

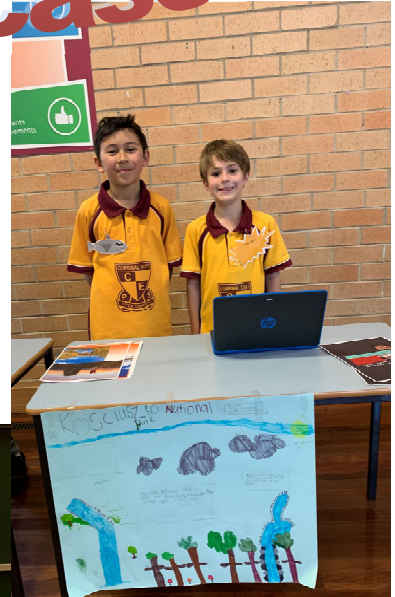

I want to thank all the students, staff and community for making me feel very welcome here at CEPS. I have enjoyed learning all about Corrimal East and meeting everyone that makes up this lovely school. I take with me very fond memories of a wonderful school where everyone works very hard to provide the absolute best education for our kids. Have a safe and relaxing holiday everyone!

Yours in Public Education,

Alison Forthuber

14	Parents of successful students receive 'Authority to attend' letters to take to the school on the first day of term in 2021	Mid-January 2021

What are selective high schools?

Selective high schools cater for academically gifted students with high potential who may otherwise be without sufficient classmates of their own academic standard. Selective high schools help these students to learn by grouping them with students of similar ability, using specialised teaching methods and materials.

Year 7 enrolments are available at:

- seventeen fully selective high schools
- twenty-four partially selective high schools
- four agricultural high schools, three of which have boarding places where students live at the school for the school term. Find out more about boarding at:
 - one virtual secondary school, Aurora College, for students in rural and remote areas. Find out

more at <http://www.aurora.nsw.edu.au/>

See a list of selective high schools and their websites at the end of this document. A map is also available at <http://www.maptive.com/ver3/Selective>

You must apply online by 11 November 2019. The application site will close at 10pm on 11 November 2019. This closing date will be strictly observed, except where there is a shortage of suitable candidates or where extenuating circumstances are serious and well documented.

You can change your school choices before 26 April 2020 by sending a 'Change of choice' form to the Team. You cannot change choices after 26 April 2020 unless something unexpected and outside your control changes, for which you must have documentary evidence. A request for a change of choice after 26 April must be approved by the Team Leader. Use the 'Change of choice' form at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7/information-for-applicants/choosing-a-selective-school>.

If your child currently attends a non-government school, it is your responsibility to liaise with the school to ensure that the principal's page is completed and sent to the Team by 6 December 2019.

If you have not received your 'Test authority' letter by 6 March 2020, please email or phone the Team urgently.

If a problem such as sickness or an accident stops your child from taking the test or from doing his or her best (either in the test or at the school), you can make an illness/misadventure request. This should be done using the form on the Team's website. The form must reach the Team by 26 March 2020.

If you have not received the placement outcome by 13 July 2020, please email the Team quoting your application number.

If you accept an offer and are also on a reserve list, you can remain on that reserve list until 3pm on 16 December 2020. At that time you must give up either the reserve place or the offer. After this time, students who have not declined their offer will be automatically removed from all higher reserve lists.

Premier's Debating Challenge Update

Both CEPS Premier's Debating teams, Hulk & Spiderman, have now competed in all rounds of the debating challenge.

Unfortunately, Spiderman did not procure a position that took them into the next rounds of the challenge, but I congratulate them on their efforts with all the debates they participated in. Hulk, however, were outstanding champions of our zone, which meant that they went through to the inter-zone finals. For this debate they versed Wollongong Public School and were successful once again as winners.

Recently they took part in the quarter-finals against Bowral Public School and were sadly knocked out. Their overall commitment and collaboration as a team was very impressive as well as the improvement that all members of the team gained throughout the challenge.

To acknowledge the dedication and passion of the students in the Premier's Debating Challenge for 2019, all students will receive a special certificate at a whole school assembly on Friday 8th November. Parents/carers are welcome to attend to celebrate their child's success.

Miss Burns – Debating Coordinator

Kindergarten Enrolment for 2020

We are taking enrolments for Kindergarten 2020 now!

As we are finalizing our Kindergarten enrolments for 2020 we ask that any family who is in our catchment area and has a child starting Kindergarten in 2020 to ***please finalise the enrolment now***. For any further information please contact the school on 42 844 582.

School tours and enrolment packages are available now.

Safely Entering & Leaving School Grounds

This is a friendly reminder to all community members to carefully supervise our precious students before and after school around the school grounds. We have "out of bounds" areas in place to ensure we have a safe learning environment. The students are experts on these "out of bounds" areas and they still apply before and after the bell has rung.

Can I also ask that you are entering and leaving the school using the allocated walkways and gates. Our school driveways are busy places where student transport coming and going at peak times during the day. It is important that these areas are kept clear and not used for pedestrian access. Can you please ensure you and your children are mindful of this and stick to the walking paths.

Trash Free Tuesday

Corrimal East participates in **Trash Free Tuesday**.

Every Tuesday we encourage parents and caregivers to pack all food in reusable containers with no packaging. Unpackaged foods are usually less processed and provide children with greater health benefits. Research shows that nutritious foods aid brain development, concentration and supports healthy immune systems. **Trash Free Tuesday** will also reduce the amount of waste from our school going to landfill.

Did you know that only 1 in every 20 Australian children (and adults!) are eating enough fruit and vegetables?

Woolworths Discovery Garden Kits are here!

Woolworths have just released their latest collectable seedling starter kits for the garden.

Customers will receive one seedling kit with every purchase over a certain amount at Woolworths. There are herb, vegetable and flower seeds to collect.

If you have any seedling kits you would like to donate to our school we would love to plant them in our garden. Please bring the seedlings to the office.

We would also be happy to accept any wooden sleepers or wooden pallets that would be suitable to use as a garden edge for our garden beds.

Thank you for your support.

A Night Under The Stars

Due to poor weather and conditions of the school grounds our movie night, 'A Night Under The Stars' has been postponed until **Term 4, Friday 1st November 2019**.

Due to daylight saving we will have to push our movie time back to 7.30pm. Gates will still be opened earlier so you can still purchase dinner and snacks. Please keep your tickets in a safe place.

Movie Tickets Information

Movie tickets are still available to purchase. Please complete the form and return with payment to your child's class slot in the foyer by **Monday 28th October 2019**.

All tickets purchased between now and the movie night will be sent home on **Wednesday 30th October 2019**.

Raffle Tickets

Our raffle will now be drawn on **Friday 1st November 2019**. Tickets can still be sold and any unused tickets can be returned to the office.

Class Helpers

Hopefully our volunteers can still help out on the new date. If you cannot please contact Sarah Loemker via email or phone ASAP.

Have Your Say on Before and After School Care

The NSW Government is committed to providing before and after school care to all students of public primary schools in New South Wales. As part of the reform, a parent web form has been established by Service NSW that will enable parents to tell the department about their specific care needs and to stay up to date with any new developments.

The information provided by parents will help the Department of Education to understand your needs, give them insights into where there are gaps in service delivery and help to ensure the extra places are delivered where they are required.

Have your say today at <https://www.service.nsw.gov.au/basc>.

2019 Tell Them From Me Parent Survey

You're invited to participate in the *Tell Them From Me (TTFM)* Parent survey designed for parents and carers. This survey complements the TTFM student surveys, which focus on student engagement, wellbeing and effective teaching practices. All Department of Education schools have the opportunity to participate if they choose.

Why should I participate?

Parents and carers are an important and valued part of the school community. Schools can use survey feedback to make practical improvements and inform school planning.

What does it involve?

This online survey takes about 15 minutes to complete. It is anonymous and voluntary.

If you have more than one child at this school and feel that your children's experiences differ, you can complete the survey more than once.

How can I participate?

You can access the survey in your own time. Follow the link below on your computer or tablet:

<https://nsw.tellthemfromme.com/62y3y>

Once you have completed the survey please hand in the slip below. Your child's name will be marked off and they will receive an ice block at the end of that week; a thank you for helping us make our school as best as it can be.

2019/20 CEPS Smart-Start & Kindergarten Orientation Program Overview

The 'Smart-Start' program is designed to promote positive learning experiences through play. The program will encourage the development of social skills and skills required for a smooth transition into Kindergarten. Our Kindergarten Orientation Program will give children an opportunity to participate in some 'real' class activities in one of the Kindergarten classrooms. Children will work with 2019 Kindergarten students and our senior student leaders.

Kindergarten 2020 Parent Information Wednesday 20th November, 2019	Parents are invited to an information session in the School Library from 6.30pm. School staff will talk with parents about what to expect next year and how to ensure a smooth start to school at CEPS. Our School Principal, Mr Bede Darcey and representatives from the school P&C will be available to answer any questions.
Friday 22nd November, 2019	9:30am – 11:30am Children will need their hats, a small lunch and a drink bottle.

Parents will leave their child in the capable care of CEPS staff and come back to collect their child at finishing time.

Smart-Start

Do you know a child who is almost of school age?

The transition to school can be both an exciting and daunting time for parents and children. Corrimal East Public School's transition program 'Smart-Start' aims to develop foundations for future learning and establish parent partnerships for a smooth and positive transition to Kindergarten.

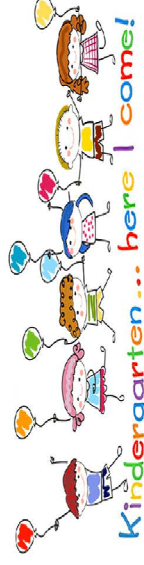

Give your child a 'Smart-Start' to their education
