Book Week Wonders!

Today we were treated to a fantastic array of Book Week costumes representing all of our students favourite characters and authors. There was Harry Potter, Wally, Thelma The Unicorn, Batman & Robin, Spiderman and Mine Craft characters just to name a few. The students who spoke about their love of reading and books were very articulate and showed that reading really is a SUPER POWER! Thank you to everyone who donated a book to our library and made purchases from our Book Fair. Students who donated books will have their name placed in the front of those books and will have the privilege of being the first to borrow it! The Book Fair will be open Tuesday, Wednesday and Thursday next week before school, at lunch time and after school, please make sure you pay a visit.

School Administrative and Support Staff Week

This week is SASS Appreciation week across NSW where we celebrate the professionalism and commitment of our wonderful SASS. The SASS here at CEPS are integral members of our school community who work in a range of roles to ensure we are providing students with the best educational opportunities we can. We thank Mrs Brenda Gregory, Mrs Lynda Murphy and Mrs Donna Rout who look after all of the administrative work for the school. Our School Learning Support Officers Mrs Bronwyn Browne, Mrs Donna Jackson, Mrs Donna Henry, Mrs Zoe Tulloch and Mrs Olga Spinoulas who support our students in the classroom and playground. Our General Assistant, Cheryl Wiles who keeps our school looking neat, well maintained and safe. A big thank you from all the students and staff! Have wonderful week everyone.

Yours in Public Education,

Alison Forthuber

Relieving Principal

Our Southern Stars !

Southern Stars

Last weekend, a group of students from CEPS represented our school at the Southern Stars performance held at the Wollongong Entertainment Centre. They did an amazing job in their performances, demonstrating an enthusiasm and talent for dance. A special mention to Natalie Nawauwi who was selected for the Aboriginal Troupe and Indie Mutch who was part of the Massed Choir. The show saw over 3000 students from a whole range of schools across NSW come together to put on a highly professional and entertaining show. I was truly impressed. I thank Mrs Randall for her dedication to these students and the range of other teachers who supported the students throughout the weekend: Mrs Spinoulas, Miss Munro and Miss Holz.

Kindergarten Enrolment for 2019

We are taking enrolments for Kindergarten 2019 now!

As our Smart Start Kindergarten Orientation program is due to start soon we ask that any family who is in our catchment area and has a child starting Kindergarten in 2020 to please finalise the enrolment now. For any further information please contact the school on 42 844 582.

School tours and enrolment packages are available now.

Safely Entering & Leaving School Grounds

This is a friendly reminder to all community members to carefully supervise our precious students before and after school around the school grounds. We have “out of bounds” areas in place to ensure we have a safe learning environment. The students are experts on these “out of bounds” areas and they still apply before and after the bell has rung.

Can I also ask that you are entering and leaving the school using the allocated walkways and gates. Our school driveways are busy places where student transport coming and going at peak times during the day. It is important that these areas are kept clear and not used for pedestrian access. Can you please ensure you and your children are mindful of this and stick to the walking paths.

Trash Free Tuesday

Corrimal East participates in **Trash Free Tuesday**.

Every Tuesday we encourage parents and caregivers to pack all food in reusable containers with no packaging. Unpackaged foods are usually less processed and provide children with greater health benefits. Research shows that nutritious foods aid brain development, concentration and supports healthy immune systems. **Trash Free Tuesday** will also reduce the amount of waste from our school going to landfill.

Did you know that only 1 in every 20 Australian children (and adults!) are eating enough fruit and vegetables?

BOOK FAIR!!

BOOK FAIR – ‘More Kids Reading – Kids Reading More’

Venue: CEPS Library

Dates: Friday 30th August to Thursday 5th September 2019

Opening Day: Friday 30th August 2019

Opening Hours: Tues, Wed & Thurs: 8:15-9:00 am; 1:30-2:00pm and 3:00-3:30pm

On Friday 30th August 2019 our Scholastic Book Fair will open in the library! Our library will be turned into a ‘book store’ for our students and parents to visit!

Scholastic are sending us a wonderful variety of books that will have something for everyone.

A Dino-Mite New Books pamphlet has been sent home with each student to enable them to see just some of the books that are available for purchase. Book prices start at only \$4!

There will be EFTPOS available to make purchasing books easier.

Students will be able to look closely at the books during their library session next week and write a ‘Wish List’ of books that they may like to purchase on Opening Day (Book Character Parade Day) 30th August.

Donations to the Library:

If you would like to donate a book to our library, it would be very much appreciated.

There will be tables that have the books that we would love to have in our library’s collection. (Each book will be clearly labelled with its purchase price.)

Donated books will have your child’s/children’s name/s printed on a sticker that will be pasted onto the first page of the book in recognition of your generosity. They will also be the first person to borrow the book from the library after it has been processed.

2019 Tell Them From Me Parent Survey

You're invited to participate in the *Tell Them From Me (TTFM)* Parent survey designed for parents and carers. This survey complements the TTFM student surveys, which focus on student engagement, wellbeing and effective teaching practices. All Department of Education schools have the opportunity to participate if they choose.

Why should I participate?

Parents and carers are an important and valued part of the school community. Schools can use survey feedback to make practical improvements and inform school planning.

What does it involve?

This online survey takes about 15 minutes to complete. It is anonymous and voluntary.

If you have more than one child at this school and feel that your children's experiences differ, you can complete the survey more than once.

How can I participate?

You can access the survey in your own time. Follow the link below on your computer or tablet:

<https://nsw.tellthemfromme.com/62y3y>

Once you have completed the survey please hand in the slip below. Your child's name will be marked off and they will receive an ice block at the end of that week; a thank you for helping us make our school as best as it can be.
