Term 4

Friday 11th December, 2020

Week 9

### Upcoming Events

2021

Term 1

Friday 29th January

Students return to school

Friday 5th February

Swimming Carnival (selected students)

Dear Parents and Carers,

Well here we are at the end of 2020 and what a year we have had! I am really looking forward to getting to know you all more personally as some of the restrictions continue to ease next year. Hopefully we will be able to come together as a community to celebrate on many occasions.

We have had a very busy and highly successful couple of weeks, whilst delivering 4 staged based presentation assemblies, Kinder and High School transitions and our Year 6 Farewell. We hope you enjoy some of the photos included in this week's newsletter.

Unfortunately, some of the neighbours in the area have been misusing the school grounds over the weekend period. If you happen to see anyone misusing the school grounds over the holiday period, could you please contact security on: 1300 880 021. Your support with this matter, would be greatly appreciated.

I just wanted to remind everyone again that the new school year will commence in 2021 with 2 staff development days for teachers on Wednesday 27<sup>th</sup> and Thursday 28<sup>th</sup> January, with the first day for students on Friday 29<sup>th</sup> January, 2021.

I hope that you all have a wonderful summer holiday and festive season. I also hope that you get some time to relax, unwind and enjoy some quality family time.

I thank you all again for your on-going support and understanding during one of the toughest years that we have all had. Here's hoping that 2021 will be a year of continued success for our wonderful community.

Stay safe,

Mrs Jemima Gammone  
Principal

Year 6 Farewell

# High School Transition Day

On December 1<sup>st</sup>, our wonderful year 6 students went to their new high schools for a transition day. We would like to share some information about some of the things we did at Corrimal High School.

We met our year advisor, Mr McDonald (his middle name is Ronald) and participated in many fun activities such as science, music, PE and STEM.

In Science we investigated the science behind fireworks. Another rotation was sport. We played volleyball with an exercise/yoga ball which was really fun.

After recess we went to a music class and played lots of fun music related games and tested out some instruments. Anahera even sang a song for us!

Finally we drove 4x4 cars around a grass track out the front of the school. Soon we will receive our licences.

It was also great to meet some of our new teachers and also some new friends from other schools.

We really enjoyed our time at Corrimal High School. Thank you to Mr Stanley, Mrs Brown and Mr Roger for making that day possible.

Anika Marsh & Emily Ellis

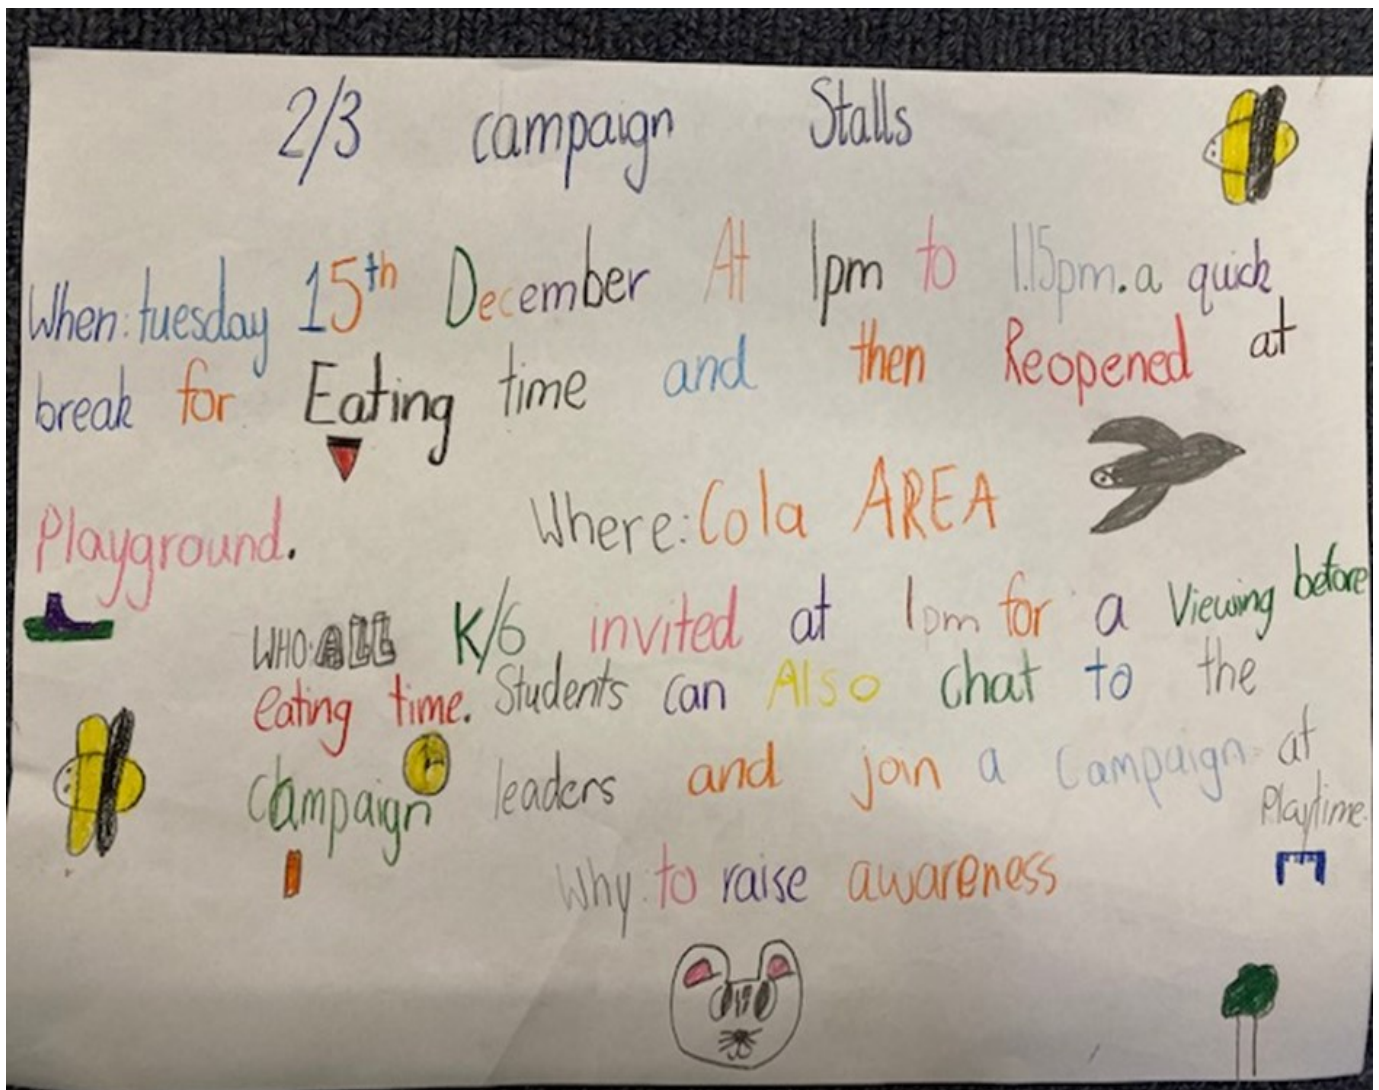

# Let's Get Campaigning!

2/3-Kookaburras and 2/3-Redbacks completed a Literacy unit this term on Campaigning. Classes read informative, persuasive and imaginative texts on current issues concerning our planet. Students collaborated in small groups to campaign a topic of their interest to spread awareness to others. Some of these topics included endangered animals, deforestation and pollution. During the unit students produced posters, information brochures, persuasive petition letters and creative poetry. These were crafted to present to K-6 students through a campaign stall. We are coming to the end of the term now and it is time to present our stalls! Students are very excited to hold their campaigning in the final week of the term with all of K-6 students invited. Their aim is to obtain as many 'signatures' on their petition as possible to provide evidence of their campaign success in raising awareness.

The poster featured is one student's advertisement of our campaigns to K-6. Unfortunately, we cannot have parents attend, but photos and videos will be shared with parents of 2/3 classes on Seesaw. We look forward to seeing some amazing campaigns! Well done to both classes on their efforts and dedication to making our world a better place.

Miss Burns and Mr Menegazzo

## P & C News - 2020 - Term 4, Week 9

We would like to wish you all a safe and happy holiday. Thank you for your continued support this year.

Don't forget our first P&C Meeting will be in Term 1, Week 3

Stay healthy, Stay safe and we'll see you next year.

# Donation Thanks!

We would like to thank Spot On Hose and Fittings for their kind donation of a school shed and netball equipment.

We would also like to thank Dexion Nepean Storage Solution Specialists for their very generous donation of racking and lockers for the maintenance shed and garden shed shelving.

These wonderful donations are greatly appreciated by both students and staff at Corrimal East Public School.

## School Holiday Program **FOR READERS + WRITERS**

Join the South Coast Writers Centre's School Holiday Program for a day of interactive workshops for primary and high school-aged readers and writers at Coledale Community Hall!

# What is *Learning for Life*?

*Learning for Life* provides families with opportunities to increase their children's success at school. The *Learning for Life* program helps each child to reach their potential by supporting their education from primary through to post-school studies.

*everyone's family*

## *Learning for Life* provides:

## Am I eligible for *Learning for Life*?

To be eligible, you must:

- ✓ Have a child/ children in Kindergarten/ Prep/ Reception to Year 6, who attend a school that we work with
- ✓ Have a current Health Care or Pension Concession Card
- ✓ Demonstrate a strong commitment to education through regular school attendance

## What else do I need to know?

*Learning for Life* is a partnership between your family and The Smith Family.

As a parent/guardian or caregiver, you will be committing to:

- Your children attending school regularly
- Providing a school report yearly for each child
- Returning a yearly progress report for each child
- Maintaining contact with The Smith Family

## How do I apply for *Learning for Life*?

If you meet all of the above criteria and would like to apply for the *Learning for Life* program, please complete the referral form provided and return to your school.

For further information, please contact the Family Partnership Coordinator:

# Submit your application in 5 easy steps

## 01 Register

Register to start an application  
If you don't have all the information you need

Register

Register to apply for entry into selective high school entry in 2022.

You will find the registration link on the application process page under the section, Steps to apply.

Parents and carers should enter their own details to register (not student details).

## 02 Verify

Verify email

✉ Verify email

A verification link has been sent to your email

Once registered, look for the verification link which is sent to your email.

Click the link to start your application.

In some cases, you may need to check your junk folder to find your verification.

## 03 Log In to get started

Already registered?

If you have already registered you can log existing applications or change your details.

Log In

Log in using your registration details.

If you forget your password, you can reset it from the home page. Simply click **Forgot your password** to start the process.

## 04 Complete each section of the form

1 Student details

8 Review & submit

Follow the steps on each page to complete the 8 sections of your application.

Be sure to save your application if you want to return to it later.

See page 2 of this flyer for more information about changing details, messages and uploading documents.

## 05 Submit your application

Submitted

Your application submitted successfully

You will receive a **confirmation email** when you have submitted your application.

You will still be able to update details send and receive messages and upload documents once your application is submitted.

We encourage everyone to submit applications as early as possible.
