School Photo Day

Dear Parents / Caregivers

The staff are looking forward to seeing their students next week. A reminder that all students are expected to return 1 day per week. All families were notified on Seesaw/Google Classroom and in the post about which day your child will be returning. We have prioritised keeping siblings together so that parents will only need to come into the school once per week.

The school remains open for those parents that need to send their children to school each day.

When arriving to school please remember that we are dropping and picking up from outside of the school grounds. Please carefully read the procedures on the next page. It is very important that we follow the social distancing rules during drop off and pick up times.

Please remember to remind your children to bring in the following;

- Drink bottle (bubblers are closed at this stage)
- Years 1-6 will need their own pencil cases (students will not be sharing equipment)
- Kinder and Year 1 will need to bring in their Work packs
- Students who have borrowed a school laptop will need to bring it in each day

The canteen remains closed until further notice.

We are happy to answer any questions or queries you may have.

Kind regards

Michelle Munro

Drop off/Pickup Procedures

Corrimal East Public School has developed steps that we are asking the whole school community to follow in regards to safely dropping off and picking up your children from school.

DROP OFF

8:30-9:00am - A teacher will be stationed at the school front and back gates to welcome students.

- o The Duff Parade and Pioneer Road gates will be opened in the morning
- o 'Kiss and Go' - Parents are asked to say goodbye and drop their child at the front or back gate
- o All adults must adhere to social distancing rules

Please do not enter the gates.

PICK UP:

Please be patient and polite. A teacher will be stationed at the school front and back gates to help students exit safely.

- o The Duff Parade and Pioneer Road gates will be opened in the afternoon
- o The children will walk to the front and back gates at the end of the school day
- o They will exit the gates when they can see the adult that is picking them up.
- o All adults must adhere to social distancing rules

Please do not enter the gates.

The staff stationed at the front and back gates are happy to wait with the students until all students have been picked up. If the gate area is busy please wait either in your car or another area until it becomes quieter. Please be mindful of everyone around you.

All staff are looking forward to welcoming the students back to school.

Remote Learning Isn't Going To Stop Us

Now, more than ever, it is important to maintain your physical and mental health and well being as these are truly challenging times. I am sure that you are all missing putting on your yellow polo on Fridays and coming to school for sport and fitness as much as I am, however, I am so happy to see the response to our brand new Easties PDHPE Heroes and CEPS Wellbeing pages!

On these pages you will find a huge range of physical and mental health activities including dancing, yoga, mindfulness, fitness sessions and of course the weekly 100 Point Challenge.

If you are in Years 2-6 and you haven't already done so, join up to the Easties PDHPE Heroes google classroom. Contact your teacher if you need help joining up.

If you are in K-1 don't worry, you can still participate too! Simply follow the link below and choose some activities to complete. If you want to complete the 100 Point Challenge too, keep a record of the activities you do and how many points you earn and post it on your class Seesaw on Fridays.

Keep up the good work Easties! Remember to take care of yourselves and your families and make sure you are keeping a good schoolwork / life balance.

Beat The Teacher Challenge

Another awesome part of these pages are the Beat The Teacher Challenges.

This week it was the Bucket Challenge. Film yourself completing these challenges and post them to your class Seesaw.

The best ones will be added to the Easties PDHPE Heroes page. Keep an eye out for the Beat The Teacher Challenge next week.

I will give you a clue about what it involves - you may need to go upside down to beat the teacher!

The 100 Point Challenge

The challenge is to participate in some of the activities on these pages daily, keep a record of the points you earn and try to get to 100 points by the end of the week. I have had a number of students contact me this week saying how much they have been loving this challenge and some even reached 100 points before Friday, a fantastic effort!

My 100 Point Challenge Chart
