School Photo Day

Dear Parents / Caregivers

Another busy week here at CEPS. The roofing work is finally finished with all of the scaffolding being removed. What a wonderful job the students have been doing navigating their way around the school. A special shout out to the Kindergarten students who have become so independent, making their own way into their classrooms. All of the staff are so proud of you.

Please be mindful of social distancing rules when waiting for your child at the front gate. We are also asking that parents/carers do **NOT** wait outside the school gates before your child is due to depart for the day. This is particularly for those parents who are waiting for a child who is in either years 4,5 or 6). Please wait in your car or away from the front gate until 3:05pm unless you have younger children to collect.

We are now **taking enrolments for Kindergarten 2021**. Please phone the school office to arrange to pick up enrolment forms on 42 844582. Once completed please return your enrolment form and any additional required information.

We are happy to answer any questions or queries you may have.

Kind regards

*Michelle Munro*

*Book Club Ordering has now returned to normal for Term 2!*

Catalogues have been sent home with your child. Please place any orders through the usual LOOP platform. *The closing date for this issue of Book Club is Friday 19th June.*

Orders will be delivered to Corrimal East Public School as usual and will be sent home with your child.

# Kindergarten Enrolment for 2021

*We are taking enrolments for Kindergarten 2021 now!*

*If you have a child starting school next year  
(or if you know anyone that is looking to enroll next year from our zoned area)  
please call the school on 4284 4582*

*School tours and enrolment packages are available now*

## Update

### Semester One Reports

Our Semester One reports will look a little different this year.

Due to COVID-19 and students learning from home, the department has made changes to the guidelines for writing the Semester One reports.

#### What will be different?

- The students will be graded below, at or above Stage
- There will be no Limited, Basic, Sound, High, Outstanding grading
- Only English and Mathematics will be graded and commented on
- There will be comments about how students engaged in the online/at home learning

#### What will be the same?

- Each student will receive a report
- Students will have an English and Mathematics comment based on what they can do and what their future goals will be
- Each report will include a general comment
- Each report will show how the students engage in learning and how they behave at school

## **Reminder**

We will continue our staggered pick up times. The front gate pick-up times will be as follows;

**Kindergarten** – 2:50pm

**Stage 1** – 3:00pm

**Stage 2 & 3** – 3:05pm

Our school routines will still include many COVID – 19 related routines that will remain until further notice.

They are;

### **Parents/Carers/Family members**

- Continue to drop off and pick up your children at the front and back gates
- Do not go to your child's classroom
- Only go to the office if you need to (call the school if you have any questions or queries)

### **Students**

- Wash their hands before entering the classroom, before and after eating, and when necessary.
- Will wipe down and clean their own working area at the end of each day

### **School**

- There will continue to be no events where parents and family members are able to attend
- There will be Zoom assemblies that the school community can attend.

I clean my desk at the end of the day.

I wash my hands when I enter the classroom and before I eat.

We would also like to thank House2Home Corrimal for their generous donation of Hand Sanitiser for each student. Your support is greatly appreciated.

**House2Home**

# The Back Page Mr Stanley

## *Skipping is back*

If you were in primary school in the 90s like me or even before that, you would remember students skipping at recess and lunchtimes. It was a schoolwide favourite. If you were to walk through the playground at CEPS at recess and lunchtimes today, you would be forgiven for thinking you had stepped back in time. So many students have taken to skipping and it is fantastic to see!

It could be down to the fact that teachers provided skipping as a safe and enjoyable physical activity during the current restrictions on sport, it could be the fact that they wanted to beat Mrs Lincoln in the beat the teacher challenge. Whatever the reason is, the kids are loving it!

Skipping is an excellent way to get physically active. It can be as easy or as hard as you want to make it, you can do it anywhere and you can do it with your friends too. Here is what some kids from CEPS had to say about skipping:

- *I like how you can learn new tricks — Aiyanna*
- *You can skip with lots of people — Liana*
- *I like doing different challenges against my friends — Josh*
- *Skipping helps keep you really fit — Ellie*

Keep up the great work Easties!

## Easties Heroes

**Name** Sam

**Nickname** Semi

**Age** 9

**Favourite sport**  
Footy

**What do you love most about footy?**  
That you get to score heaps of tries.

**Sporting highlight**

When I made it to the NSW PSSA Swimming Carnival with the junior boys relay team.

**Most challenging thing about sport**

The most challenging thing about sport is when you still have to train and play when it is cold. I am looking forward to playing in the rain though!

**Favourite sports person**

Mitchell Moses. He is my favourite player because he plays halfback like me and he throws really long passes.

## Healthy Habits This week - Get Active Everyday

What does it mean to be physically active? Being physically active means moving your body, that's it! Regular physical activity is so important for the healthy growth, development and well being of children. It can range from walking the dog to extremely difficult training and everything in between.

- Primary school aged children should aim to get at least 60 minutes of moderate to vigorous physical activity every day. You will know it is the right intensity if it makes you 'huff and puff'
- Try and vary your exercise to keep it fun. There are a million things you can do to stay active. Have fun!

## P & C News - 2020 - Term 2, Week 6

Wow, what a great return for the Canteen, from all accounts they have had a busy week! Thank you everyone for supporting this return. We are so glad you love all the healthy food and snacks on offer. We've attached a copy of the Canteen Menu for your convenience, and don't forget you can now PAY for your order by **direct debit!!**

Please remember that due to the Covid regulations we can't use our Stickybeaks re-usable bags at present. All orders need to be on a paper bag until further notice.

Have a great weekend!

# SCHOOL PHOTO DAY HAS BEEN POSTPONED

[www.msp.com.au](http://www.msp.com.au)

**School photo day has been postponed! We have rescheduled to: Monday 14th September 2020**

**Please note the following:**

- ❑ If you have placed an order online, that order is stored in our system and will be fulfilled on photo day.
- ❑ New envelopes will be issued to students that have NOT placed an order online. Students that have already ordered online will receive an electronic reminder about their upcoming photos.

**Please call MSP Illawarra on (02) 4261 3009 if you have any enquiries.**

**WE'RE HERE  
TO HELP!**
