### Covid-19 Testing

If you or your child is tested for Covid-19 please notify the school office immediately. Department policy states that all student/parent testing needs to be recorded with the department's incident hotline.

Your child is able to return to school once you notify the office of your child's negative results.

Dear Parents / Caregivers

Next week is the last week of term. The staff will be busy planning for Term 3. They are looking forward to programming innovative and exciting lessons that will be taught throughout the term. What a busy Semester it has been.

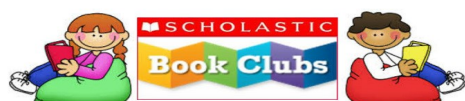

The teachers have been busy writing the **Semester 1 reports** over the last couple of weeks. As I have mentioned earlier, the reports will look different to previous years. This is due to COVID-19 and all students learning from home. The children will receive their report on Monday 29th June. If you have any questions about the report please contact your child's classroom teacher.

We are having a number of children coming to school with **no hat or jumper**. Please remind your child to remember to pack their hat and jumper in their bag. In cold weather they will need their hat. When it seems sunny it is still very cold in the undercover areas so they will need their jumper.

Mrs Gammone has already visited our school to say hello to everyone. The staff and students were thrilled to see her walk back through the gates of Corrimal East Public School. I personally am looking forward to working with her again. I know she will bring lots of knowledge and wisdom to our school.

Kind regards

*Michelle Munro*

Book Club Ordering has now returned to normal for Term 2!

Catalogues have been sent home with your child. Please place any orders through the usual LOOP platform.

Orders will be delivered to Corrimal East Public School as usual and will be sent home with your child.

## **Corrimal East Public School PBL Reward Day**

Congratulations! Every student at Corrimal East Public School has earned an awesome whole school PBL Reward Day. Every Eastie you received in class or in the playground for following our school core values of Safety, Excellence and Respect went towards reaching the whole school reward. Well done, it is going to be awesome!

**When** – Friday Week 10 (3<sup>rd</sup> July, 2020)

**Where** – Corrimal East Public School

### **What Is It?**

You will be participating in a huge range of games and activities throughout the day. There will be running, jumping, throwing, dancing and lots more! Each student has been placed in a group and will rotate through the activities throughout the day.

**What to Wear** – Sports house colours with a twist. Wear your green, yellow, red or blue and make it exciting! You can wear crazy socks, you can wear crazy hair, you can do it all! There will also be a best dressed competition with a winner from each house group winning a canteen voucher.

**Unfortunately, parents will not be allowed to attend**

## *Exciting News for Aussie Girls*

Last night, Australia and New Zealand were successful in their bid to host the 2023 Women's Football World Cup. This is not only fantastic news for women's football in Australia, it is fantastic news for women's sport in Australia and fantastic news for Aussie school girls for a number of reasons.

The Matildas, currently ranked 7th on the FIFA world rankings, will not have to qualify as a host nation, they earn automatic entry along with New Zealand.

What this means for Australian school age girls is the Australian government will place a strong emphasis on women's sporting opportunities in the near future to ensure the Matildas have every chance of success at the World Cup. In Australia, women's representative sporting pathways are as good as anywhere in the world with the AFLW and the W-League, and hosting a FIFA World Cup will only strengthen these pathways in the future.

It is certainly an exciting time to be a young Aussie girl interested in sport. The world is at their feet!

## Healthy Habits This week - Sleep

Sleep is something that everyone needs to remain healthy. It is so important, especially for students as it helps them learn and retain information. Good sleeping patterns help us fight off infections and keeps our immune system in shape. Students should aim to maintain regular sleep times every night.

- Primary school age students should be getting at least 8-10 hours of sleep each night
- Sleep reduces stress levels and allows students to get the most out of their days at school.
- Switching off devices at least 30 minutes before bedtime helps you get a better sleep.

## P & C News - 2020 - Term 2, Week 9

- We at the P&C would like to Congratulate **Mrs Gammone** for her success in becoming our new Principal. We are rapt to have someone that knows our beautiful school so well, and will continue to make it a great place to be for our Students, Staff and community. We look forward to warmly welcoming Mrs Gammone back to CEPS P&C in Term 3!
- We would also like to Congratulate and thank **Miss Munro** for her excellent guidance over the last two terms, particularly given the stressful time we've all had during covid. Seemlessly and expertly done Miss Munro, Well Done to you and the staff! We were confidentially in your hands, we thank you for all your hard work.

Stay tuned we are working on a date for our P&C meeting next term. We're just getting confirmation of Covid restrictions going forward.

Have a great weekend!
