School Resumes for students

Dear Parents & Carers,

Happy end of term!

I am happy to report that the netball court is now fully operational and the students have loved using this new space during sport, lunch and recess. I would like to thank the P&C for their on-going fundraising over a number of years to make this happen. Mr Stanley will be sharing some awesome footage of our students using the court for both Netball and Futsal games.

The NSW Department of Education sent out updated COVID guidelines for Term 4 and with it came some great news around lifting restrictions for Kindergarten and Year 6 transition, both of which will now be able to go ahead next term. This is wonderful news and we will now take the time to organise these experiences. Our Year 6 students will now be able to experience a number of fun activities and of course their traditional and much loved 'Farewell'. Please give our staff some time to finalise these special events and all will be well communicated to our community at our earliest convenience.

You may have remembered that we put out a newsletter survey earlier this term. Thank you to the parents and community members that have given us some valuable feedback. As a result of the survey, we will now be trialling fortnightly newsletters in the odd weeks of the term. Regular important communication of special events and reminders will still be uploaded via our school website, Facebook, Skoolbag and class SeeSaw.

It is with great pleasure that I announce that Mrs Barbara Clark, our Stage 2/3 Assistant Principal has been offered the role of Relieving Principal of Coledale P.S. for Term 4. This is an amazing opportunity for Mrs Clark, however we know that she will be missed by our staff and students. This will leave an opening on our executive team. I have put out an internal expression of interest amongst our staff for the role of relieving Assistant Principal for Term 4. Once this process has been finalised, I will communicate with community in regards to who will be stepping up to take on this leadership opportunity.

I hope all of our amazing students and staff have a well-deserved rest over the holidays, so that they come back ready for another fun-filled term of learning and growing together. I also hope that as a family you are able to enjoy some quality time together and benefit from a rest from daily school routines.

Sincerely,

Mrs J. Gammone
Principal

Fruit and Veg'tember

Fruit and Veg'tember was a great success at CEPS this year. It was pleasing to see students bringing more fresh foods to school in their lunchboxes. Thank you to Woolworths Corrimal for donating a variety of fresh fruit and vegetables weekly for students to sample. During this month we have also planted a variety of spring vegetables. Next term students will continue to be able to pick and eat this fresh produce.

Mrs Clare Jansen
Fruit and Veg'tember coordinator

Vegetable Garden Update

This week students harvested broccoli and carrots from our vegetable garden. 3/6 Wipeout made delicious sushi rolls with the fresh produce.

Gymnastics Fun!

What is *Learning for Life*?

Learning for Life provides families with opportunities to increase their children's success at school. The *Learning for Life* program helps each child to reach their potential by supporting their education from primary through to post-school studies.

everyone's family

Learning for Life provides:

Am I eligible for *Learning for Life*?

To be eligible, you must:

- ✓ Have a child/ children in Kindergarten/ Prep/ Reception to Year 6, who attend a school that we work with
- ✓ Have a current Health Care or Pension Concession Card
- ✓ Demonstrate a strong commitment to education through regular school attendance

What else do I need to know?

Learning for Life is a partnership between your family and The Smith Family.

As a parent/guardian or caregiver, you will be committing to:

- Your children attending school regularly
- Providing a school report yearly for each child
- Returning a yearly progress report for each child
- Maintaining contact with The Smith Family

How do I apply for *Learning for Life*?

If you meet all of the above criteria and would like to apply for the *Learning for Life* program, please complete the referral form provided and return to your school.

For further information, please contact the Family Partnership Coordinator:
